

CERT SAN DIEGO (COMMUNITY EMERGENCY RESPONSE TEAM)

17th Academy: Six week traditional academy September-October 2007

Students attend a six-week class with one four hour class per week—either Thursday night or Saturday morning. Classes are taught at the San Diego Fire-Rescue Training facility near San Diego airport. The final class includes a final exam review, final disaster drill and graduation ceremony. CERT graduates are taught to national CERT standards, compliant with NIMS and certified Disaster Service Worker (DSW).

Class materials fee -\$55 for textbook and CERT “Go Bag” (CERT backpack, goggles, CERT helmet, CERT vest, work gloves, medical gloves, flashlight, and face mask) – available at class (at our cost) or you may provide your own.
